

# Website Care Report

[sample.com.au](http://sample.com.au)

15/04/2018 - 14/05/2018

Here is your Monthly Report on the activity that has taken place on your Website Care Plan.

It's good to be able to deliver peace of mind for the valuable asset that your website is.

Please NOTE: This report only logs the off-site backups that are taken during the month and **stored remotely**. In fact your website is backed up every day on the hosting server for fast restoration if needed.

Please take a look through and let us know if you have any questions on anything mentioned here.
